

Proposed Resolution

Whereas Congressman Walter Jones is the Representative for the 3rd North Carolina District, and

Whereas the 3rd District is home to numerous military bases who have tens of thousands of servicemembers deployed to Afghanistan as part of the War on Terror, and

Whereas the deployed Warriors, their Commanding General and the President of the United States have asked for reinforcements and support to win this battle, and

Whereas Congressman Jones on 10 March 2010 co-sponsored **HR248** with Dennis Kucinich titled "Directing the President to Remove the United States Armed Forces from Afghanistan", and

Whereas the Resolution requires withdrawal of our forces within 30 days and in no case later than December 31, 2010, and

Whereas such arbitrary deadlines are tantamount to retreat and defeat and demoralize our troops and embolden the Enemy, therefore

The Executive Committee of the _____ County Republican Party do hereby call upon Congressman Jones to withdraw his support from this Resolution and call upon him to conduct a Town Hall with us to permit him to hear our views on this vital issue and explain his position.

As agreed to on the ___ day of _____, 2010 in the County of _____
