Narrative

On June 14, 2010 I was dispatched to the [redacted] Apartments in reference to an Information Complaint. Upon arrival, I made contact with the complainant, Zachary Rose. Zachary is a Panama City Beach Police Office and also present was his Supervisor, Lt. Wright.

Zachary informed me that he had went to get some breakfast this morning and he had strapped on his off duty weapon. When he returned, Zachary stated that he "unstrapped his weapon and had laid it on the bed while he and his wife and their child ate breakfast."

Zachary stated that his son, Gavin, was "throwing marbles into a can and then he heard a popping sound." Zachary stated that he and his wife were sitting at the end of the bed when they heard this sound and then he (Zachary) realized that his son had accidentally fired his off duty weapon.

At this time, I contacted Lt. Francis and provided him with the above information. Lt. Francis advised me to secure the room where the pistol was and that CID and Crime Scene were en route to my location.

The bedroom was secured, along with a .380 Taurus Pistol, and the investigation was turned over to Sgt. Mathis and Crime Scene Technician Reynolds upon their arrival.

Sgt. Mathis informed me that I did not have to remain on scene, as he and Technician Reynolds would handle the remainder of the investigation.

Nothing Further.
